

NPSL House League Game Schedule 2024

- ***Bumblebees** - are not expected to play each other, however if there are coaches who are willing to attempt a game, you are more than welcome to!
- ***Boys & Girls Jr./Int. Division** - since there are only two teams for both the boys and girls division, you will simply play each other for the season.
- ***There are NO referees** - coaches will monitor the games, be fair and encourage sportsmanship between players.
- ***Fields** - Fields are numbered as demonstrated below for Pee Wees and Blizzards.

Other Notes:

1. Updated Picture Days (6/3, 6/6, and 6/10) the photographer will set up by the field each division is playing on)

I will distribute informational brochures to all coaches as soon as I receive them in the mail. Please be flexible with scheduling as the photographer will try his best to photograph as many teams and individuals as possible on the first two nights. Coaches, on these picture days, start your game, pause when the photographer is ready, then pick up where you left off once pictures are done. If you have any questions regarding pictures, please reach out to the photographer (information will be on the brochures), not me.

2. Jerseys/Socks for Late Registrations

There was a large volume of late registrations this year, therefore I will do my best to make sure any new players are provided with a jersey as soon as possible. I apologize for not anticipating larger numbers and for last minute roster changes. Our goal is to make sure every player has a spot on a team and has the opportunity to have fun playing soccer this season.

3. Picnic - Monday, July 1

Teams will play for the first 30 mins and then head over to the shelter that is located across from the hill where volunteers will be grilling and handing out drinks. Medals will be distributed this day as well.

4. Memorial Day Monday - No Soccer
